Snap-on Ups Tool Storage “Wow” Factor with New, Limited Edition Speed Demon EPIQ™ 68" Roll Cab

KENOSHA, Wis. (March 25, 2024) – The new Snap-on® KETP682A3WHZ Limited-Edition Speed Demon EPIQ™ 68" Roll Cab adds the “wow” factor every tech wants in a tool storage showpiece. Next-level organization, durability, security, mobility, and the exclusive Speed Demon emblem represents everything enviable about working in the industry that keeps the world moving.

“The Speed Demon’s exclusive badging features an intricately detailed skull intertwined with pistons and an engine, symbolizing speed and the rebellious spirit that comes with being part of the automotive and heavy duty worlds that combine high-level skills with high-level power,” says Angelo Gargano, Snap-on Product Manager. “The fusion of skull and pistons evokes a sense of raw energy and daring, while the meticulous craftsmanship of this roll cab reflects both techs’ and Snap-on’s dedication to quality and innovation.”

The Speed Demon screams efficiency with its gloss black shell housing nine Artic Silver drawers, accented with a two-tone trim of Black and Emerald Green for abundant storage and functionality. Featuring a SpeedDrawer, customizable for organizing loose fasteners, parts, and tools, and PowerDrawer, a dedicated drawer for charging power tool batteries and handheld devices, this roll cab takes it up a notch with a bed liner PowerTop™ with full-length LED lights to illuminate drawer contents. With 15 power outlets and six USB ports strategically placed throughout, all cordless tools, lights, and accessories stay charged and accessible. Technicians can expand the storage options of this unit by integrating a matching work center and side lockers for a complete Speed Demon system.

“Snap-on knows a well-designed toolbox helps technicians keep their tools organized, crucial in a fast-paced and demanding automotive repair environment where efficiency is key,” Gargano says. “A sleek and well-maintained toolbox adds a touch of professionalism to an automotive technician’s workspace. It creates a positive impression on clients reflecting a commitment to quality work and attention to detail. And this limited-edition Speed Demon badging ups the cool factor of a storage option that can keep pace with hard-working techs.”

For more information about the New, Limited Edition Speed Demon EPIQ™ 68" Roll Cab or other Snap-on tools and products, contact your participating Snap-on franchise or visit www.snapon.com.

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company’s network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the

sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2023, and is headquartered in Kenosha, Wisconsin.
