

January 15, 2001

**CARCARE1** includes the basic items necessary to keep your vehicle looking as good as the day you bought it.

**Cars**  
**RVs**

**Trucks**  
**Motorcycles**

**Vans**  
**Snowmobiles**

**A Great Gift!**

CARCARE1 Includes Five Each of the Following:

- Wash Mitt ..... MIT1
- Synthetic Chamois ..... MITW1
- Polish/Sealant (1, 16 oz. bottle)..... POLISH1
- Mini Duster ..... POLISHMOP1
- Spray Nozzle ..... YA571
- 3.5 Gallon Bucket

**Wash Mitt**

Non-matting, tangle resistant mitt with elastic wrist band can be tossed in the washer & dryer for easy cleanup. The 7" x 9" synthetic lamb's wool mitt features 1.25" pile height for superb vehicle cleaning. Mitt is red with white wrist band.

**Synthetic Chamois**

Large 17" x 27" size. Plastic storage tube keeps chamois moist and ready to use. Out lasts genuine chamois. Machine washable for easy cleanup.

**Polish/Sealant**

Professional cleaner, polish, and sealant in one application. Designed for use on acrylic, enamel, lacquer, urethane, all clear coats, fiberglass, and plastics. A special blend of polyethylene polymers contributes to the high gloss capability. Will not build up or yellow. Contains no wax or free silicones. One 16 oz. bottle

**Mini Duster**

Removes dust without scratching finish. Long lasting dusting head features magnetic particle attraction that improves with use. Head is removable for easy cleaning. Overall length: 13 inches. Dust head measures 8.5" x 6.5".

**Spray Nozzle**

Clip locks spay at desired setting. Nose bumper prevents accidental scratching of finish. Fits standard garden hose threads.

**Wash Bucket**

Three and one half gallon plastic bucket is red with black Snap-on logo.

**Snap-on**
