"JKAFM" Series
3 STYLES, 8 SIZES

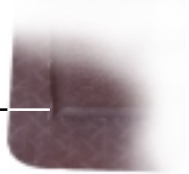

Stand or Kneel in Comfort

with cushioned, anti-fatigue mats

Exceptional Anti-Fatigue Qualities

Eases lower back stress & reduces foot & lower leg discomfort resulting from prolonged standing on hard surfaces

Thick, resilient underpadding

features:

- **Thick, resilient under padding** gives comfort when standing or kneeling. Eases lower back stress & reduces foot & lower leg discomfort resulting from prolonged standing on hard surfaces.
- Under padding hugs the smoothest floor surfaces **keeping the mat from sliding** once in position
- **Skid-resistant, diamond plate design top surface** provides a sure footing.
- Under pad & top surface are **epoxy bonded** for long lasting comfort.
- Mat resists most shop chemicals.
- **Graphics are inlaid PVC** for wear resistance.
