Blue-Point

"MSA" Series
Magnetic Spark Plug
Socket Inserts

ORDER:

- MSA1** **0.540" OD**
 - MSA2** **0.580" OD**
 - MSA3** **0.700" OD**
 - MSA4** **0.785" OD**
- OD must be smaller than dia. of socket bolt clearance hole

Magnetic Spark Plug Socket Inserts:

help prevent damage to spark plug during installation, install easily to permanently replace worn rubber inserts.

- Strong rare earth, neodymium magnet keeps insert in socket & firmly holds spark plug in place
- Four sizes available to fit most spark plug sockets
- Insert may easily be removed from socket for cleaning
