

Snap-on

new product

Autoranging Digital Multimeter

easily fits in shirt pocket

- In folding wallet case
- Ideal for measuring volts and testing for continuity
- Measure ACV, DCV, Ohms,
- Perform diode & continuity tests
- Features continuity buzzer and data hold
- Five (5) year warranty

Specifications:

AC Volts

Ranges 4, 40, 400, 500V
 Accuracy $\pm 2\%$ + 5 digits
 Best Resolution 0.1mV

DC Volts

Ranges 400mV, 4, 40, 400, 500V
 Accuracy $\pm 1.5\%$ + 3 digits
 Best Resolution 0.1mV

Ohms

Ranges 400k Ω , 4k Ω , 40k Ω , 400k Ω , 4M Ω , 40M Ω
 Accuracy $\pm 1.5\%$ + 3 digits
 Best Resolution 0.1 k Ω

Continuity less than 50 Ω

Diode Test Approx. 3V, 30uA test output

Operating Temperature 32° to 122° F (0° to 50° C)

Operating Humidity 80% max relative humidity

MT592

*Autoranging Digital Multimeter
Fits in shirt pocket*

WARNING

• Wear safety goggles (user & bystanders).

• Read instructions before using.
