

2020 Fall | Software Release

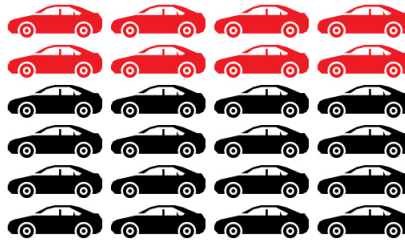

ALWAYS CONNECTED. ALWAYS READY. ALWAYS ON.

New European* coverage and features plus everything from previous releases!

PID GROWTH 39,738 MORE VEHICLES WITH BASELINE DATA 25% ARE EUROPEAN

FUNCTIONAL TEST GROWTH 24,733 MORE VEHICLES WITH BASELINE DATA 33% ARE EUROPEAN

GUIDED COMPONENT TESTS 16,464 MORE VEHICLES WITH BASELINE DATA 19% ARE EUROPEAN

Plus, Intelligent Diagnostics-enabled platforms see even more European coverage added month in and month out.

Newly Added Coverage

Alfa Romeo®: Additional Body systems for 2018-2020 **Stelvio**

BMW®: 2019 Model Year Update | 2010-2020 **3 Series** Headlight Initialization | Night Vision coverage for 2005-2020 applicable vehicles | Active Cruise Control module reset functionality for 2008-2020 **F Series** | Airbag data and functional tests 2006-2020 **Z4** | Added Active Cruise control coverage for 2009-2020 **X1**

FIAT®: 2019-2020 **500X** 1.3L coverage

Jaguar®: 2020 Code Scan and Clear | Ethernet communications support for 2019-2020 **XE**, **XF I-Pace** and **F-Pace**

Land Rover®: 2020 Model Year Update | Ethernet communications support for 2018-2020 **Discovery**, **Range Rover**, **Range Rover Sport** and **Range Rover Velar**, 2020 **Discovery Sport** and **Evoque**

Mercedes-Benz®: Rear Camera Coverage for 2018-2020 **A Class** | Forward Radar including 360 Camera coverage for 2018-2020 **A Class** where applicable or available | Blind Spot Coverage for 2008-2020 vehicles where applicable or | Night Vision Coverage for 2006-2020 vehicles where applicable or available | Signal Acquisition Module Coverage for 2004-2010 **SLK Class** | BCM Coverage for 2004-2010 **SLK Class** | Body and lighting system enhancements for 2011-2020 vehicles where applicable or available | AMG fuel pump coverage for 2011-2020 **SL Class** and 2004-2010 **SLK**

Volvo®: 2019 Model Year Update

Last 12 months of Coverage

Alfa Romeo: 2019 Model Year Update | 2019-2020 Code Scan and Clear | **Stelvio** 2018 new special functions across multiple systems | All new codes, data, tests and special functions for Noise Cancellation System, Chassis, Domain Control Module, Telematics Box Module, Trailer Tow Module

Audi®: 2019 Model Year Update | 2019-2020 Code Scan and Clear | 2018 Model Year Update | More coverage and calibrations for 6C Rear Camera, Lane Maintenance, Backup Camera, Rear Right Display, Rear Left Display, Night Vision for applicable vehicles | 61 Battery Regulation, Hybrid battery and Electric Drive for applicable vehicles | New pinouts with guided component test coverage, including: Engine **TT**, **TTS**, plus 1996-2011 **A4** 1.8L, 2.8L and 3.0L, **A6** 2.7L, 2.8L, 3.0L, 3.2L and 4.2L, 1997-2010 **A8** 3.7L and 4.2L, 2001-2005 **Allroad** 2.7L, 2004-2005 **Allroad** 4.2L, 2006-2011 **A3** 2.0L and 3.0L; ABS 2012-2017 **A3**, **A4**, **A5**, **A6**, **A7**, **Allroad**, **Q5**, **Q7**, **RS5**, **S4**, **S5**, **S6**, **S7**, **S8**, **TT**, **TTS**

2020 Fall | Software Release

ALWAYS CONNECTED. ALWAYS READY. ALWAYS ON.

New European* coverage and features plus everything from previous releases!

BMW: 2019-2020 Code Scan and Clear | Engine Adaptations Reset for 2002 and newer | Engine Freeze Frame for most 2013 and newer | **F/G series chassis** special functions for Engine and Steering Startup | **G series chassis** ABS special functions for Driving Dynamics Sensors and Brake Bleeding | 2018 Model Year Update | ABS Brake Bleed Functional Test for affected vehicles | Central Body Electronics for DS2-enabled vehicles | 2007 and newer Switched Brake Lines Test | Engine Reset (Trim Values) for 2000-2006 **320i** and **320Ci**, 2000-2003 **520i**, 2002-2005 **Z4** and **520i**, 2000-2004 **525i**, 2003-2006 **X3** | 2018 guided component test coverage for ABS, Charging System, Engine and Transmission: **X5** xDrive 35 diesel; **230i** Base, Convertible and Coupe; **230i** xDrive, Convertible, Coupe; **320i** Base; **320i** xDrive (F30); **330e** iPerformance (engine coverage only); **750i** Base xDrive; **Alpina** B7 xDrive; **M760i** xDrive; **M6** Base Gran Coupe; **X5** M Base; **X5** sDrive 35i, xDrive 35d and **X5** xDrive 35i; **X6** M Base (all coverage except ABS); **Alpina** B6 Grand Coupe xDrive (all coverage except Transmission)

FIAT: 2019 Model Year Update | 2019-2020 Code Scan and Clear | Electric vehicles, Battery Pack Control Module replacement special function

Jaguar: 2019 Model Year Update | 2019 Code Scan and Clear | Sub-codes, where applicable or available | Ethernet communications support for 2019 **I-Pace** | 2012-2016 **XF** Safety Belt Module | 2014-2018 **F-Type** and 2016-2018 **XF** Rear Differential Control Module | 2003-2009 **S-Type** and **XJ** Steering Column Locking Module | 2018 guided component test coverage for ABS, Charging System, ADAS, HVAC, Starting System and Transmission: **F-Pace** 2.0L Diesel and 3.0L Gas, Premium, Prestige and R-Sport; **F-Type** 400 Sport 3.0L Gas, Base 3.0L Gas, R Dynamic 3.0L Gas, R 5.0L Gas and SVR 5.0L Gas

Land Rover: 2019 Code Scan and Clear and on select 2020 vehicles | Ethernet communications support for 2018 and newer **Discovery**, **Range Rover**, **Range Rover Sport** and **Range Rover Velar** | 2018 Model Year Update | 2018 Engine, ABS and ADAS guided component test coverage: **Discovery** HSE and HSE Luxury, SE 2.0L Gas and Diesel; **Discovery Sport** HSE and HSE Luxury, SE 2.0L Gas

Mercedes-Benz: 2019 Model Year Update | 2019 Code Scan and Clear and on select 2020 vehicles | **E-Class** Forward Camera and Camera Calibration | **ML-Class** Back-up Rear Camera, Camera Calibration | More 360/Surround View Camera recalibrations | 2007-2017 **C-Class** Upper Control Panel System, Electronic Seat Adjustment Driver System, Electronic Seat Adjustment Passenger System, Lower Control Panel System | 2002-2009 **E-Class** and 2005-2012 **CLS** Steering Column Module | 2000-2006 **CL-Class** Electronic Ignition Switch, Central Gateway, System Diagnosis | 2018 guided component test coverage for ABS, Charging System, Engine and Transmission: **C300** Convertible and Coupe, **C300** Convertible 4Matic, **C43** AMG Convertible 4Matic, Coupe 4Matic and Sedan 4Matic, **C63** AMG Convertible, Coupe and Sedan, **C63** S AMG Convertible, Coupe and Sedan, **C350e** Plug-In Hybrid (Engine coverage only) | Pinout coverage for Engine, Charging Systems, Starting Systems (Battery, Starter, Starter Relay, Starter Solenoid) and Transmission: 2014-2016 **E250d** Bluetec and **Bluetec** 4Matic, 1998-2000 **C280**, 2011-2014 **CL550** | 1982-2017 Relative Compression Tests available on all applicable vehicles

MINI®: 2018 Model Year Update | 1982-2017 Relative Compression Tests available on all applicable vehicles

Porsche®: 2019 Code Scan and Clear and on select 2020 vehicles | 2018 and newer **Cayenne** and **Panamera** new system coverage for PCM, High Voltage Battery, High Voltage Charger, High Voltage Power Electronics, Brake Booster, Rear Spoiler, Thermal Management, Interior and Exterior Acoustics, TV Tuner

Volkswagen®: 2019 Model Year Update | 2019-2020 Code Scan and Clear | 2018 Model Year Update | More coverage and calibrations for applicable vehicles: 6C Rear Camera, Lane Maintenance, Backup Camera, Rear Right Display, Rear Left Display, Night Vision | 2012-2017 ABS guided component test coverage for **Beetle**, **Beetle** Convertible, **CC**, **EOS**, **Golf**, **Golf R**, **Golf Sportwagen**, **Golf Alltrack**, **GTI**, **Jetta**, **Jetta Sportwagen**, **Passat**, **Tiguan**; Engine pinout coverage for **Jetta** 1.9L TDI, **Jetta** 2.0L and 2.8L, 1996-2011 **GTI** 2.0L, 1996-2000 **Passat** 2.0L, 1996-1997 **Passat** 1.9L TDI, 2006-2013 **Passat** 3.6L, 1998-1999 **Beetle** 1.9L TDI, 2002-2005 **Beetle** 2.0L, 1996-2006 **Golf** 2.0L, 1998 **Golf**

Volvo: 2018 Model Year Update | 2019 Code Scan and Clear and on select 2020 vehicles | Wide Angle Vision Module and Gear Selector Module enhancements for applicable vehicles | Ethernet communications support for 2016 and newer **XC90**, 2017 and newer **V90** and **S90**, 2018 and newer **XC40** and **XC60**, 2019 and newer **S60** and **V60**

*Available with the purchase of the optional European software. Once European coverage is activated it is included in future software release upgrade purchases.
Not sure if your tool came with European coverage? Check with your Franchisee or Other Snap-on representative today.
