Snap-on Acquires Diesel Laptops

Expands Diagnostics and Repair Information Capabilities in Heavy-Duty and Equipment Markets

KENOSHA, Wis. — June 9, 2026 — Snap-on Incorporated (NYSE: SNA), a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information, and systems solutions for professional users performing critical tasks, today announced that it acquired Diesel Laptops, LLC (“Diesel Laptops”) for approximately \$100 million in cash on June 8, 2026.

Based in Irmo, South Carolina, Diesel Laptops specializes in diagnostics, repair information, and digital solutions for commercial trucks and off-highway vehicles serving heavy-duty repair shops, fleets, and other equipment customers such as those in mining, agriculture, and infrastructure. The acquisition expands Snap-on’s capabilities in these growing markets and further strengthens the corporation’s library of proprietary experienced-based data, as well as its product offerings to support the diagnosis and repair of increasingly complex vehicles and equipment. Diesel Laptops will be part of the company’s Repair Systems & Information Group.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company’s network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2025, and is headquartered in Kenosha, Wisconsin.

Forward-looking Statements

Statements in this news release that are not historical facts, including statements that (i) are in the future tense; (ii) include the words “expects,” “anticipates,” “intends,” “approximates,” or similar words that reference Snap-on or its management; (iii) are specifically identified as forward-looking; or (iv) describe Snap-on’s or management’s future outlook, plans, estimates, objectives or goals, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Snap-on cautions the

reader that this news release may contain statements, including earnings projections, that are forward-looking in nature and were developed by management in good faith and, accordingly, are subject to risks and uncertainties regarding Snap-on's expected results that could cause (and in some cases have caused) actual results to differ materially from those described or contemplated in any forward-looking statement. Factors that may cause the company's actual results to differ materially from those contained in the forward-looking statements include those found in the company's reports filed with the Securities and Exchange Commission, including the information under the "Safe Harbor" and "Risk Factors" headings in its Annual Report on Form 10-K for the fiscal year ended January 3, 2026, which are incorporated herein by reference. Snap-on disclaims any responsibility to update any forward-looking statement provided in this news release, except as required by law.
