'Tis the Season for Special Gifts from Snap-on

KENOSHA, Wis. (Nov. 15, 2017) – As the holidays quickly approach, turn to the 2017 Snap-on® Holiday Gift Guide for hundreds of items to meet every tech's needs. From screwdriver sets to cordless tools to plasma cutters, the perfect gift to fit any budget is all in one place. Check out these highlights:

Snap-on® FADH8B 8" Adjustable Wrench

The wrench's adjustable jaws feature Flank Drive® Plus – a wrenching system that "bites" into the fastener for more turning power with less risk of tool or fastener damage. The wrench also features full-finish, nickel-chrome plating to help protect against corrosion and make it easy to wipe clean.

Snap-on® VLP104 4-Piece Valve Lapping Tool Set

Sized to fit most common applications, the VLP104 tool set's durable nylon body prevents accidental cylinder abrasions. The 1/4" hex power bit shank quickly attaches to the drill, and a suction cup holds the valve securely during valve lapping.

Snap-on® SLL80A1/2" Drive Dual 80® Technology Extra Long Handle Ratchet

The SLL80A offers Dual 80® technology provides minimum swing arc, which delivers precise ratcheting action for use in tight areas. Dual pawls ensure optimum gear contact, distributing the load evenly to achieve maximum strength and durability. The seal provides permanent lubrication and keeps out dirt, dust and other contaminants for longer tool life.

Snap-on® CTRS761A Reciprocating Saw Kit

The CTRS761A Reciprocating Saw Kit is small and lightweight, which makes it ideal for working in confined spaces. At 3,100 strokes per minute and a variable speed switch, this tool delivers big power. With an integrated soft-grip handle providing ultimate comfort and control, it also has a depth guide that can be adjusted without the use of tools.

Snap-on® Holiday Gift Guide specials are available now through December 31, 2017 from your participating Snap-on franchisee or other sales representative. Find out more by visiting www.snapon.com or calling toll-free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.4 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world.
