Snap-on® Releases New PRO-LINK® Ultra Diagnostic Scan Tool for Light and Medium Trucks

KENOSHA, Wis. (January 9, 2018) – Snap-on continues to add to its suite of problem-solving scan tool products with the EEHD866048 PRO-LINK® Ultra Diagnostic Software for Light and Medium Trucks (LMT). This version of LMT software expands support provided in previous versions to include diagnostic capability for 2013-2016 GM® and Isuzu®. New features included in this release include DEF Control Module Support for the Isuzu® 2013–2016 N-Series, as well as Body Module Support (Instrument Cluster and Restraint Module) for Ford® 2011–2016 (F-150, F-Series Super Duty, E-Series, Transit), and Dodge®/RAM® 2011–2016 (RAM® 1500–5500). Coverage has also been added for 2016 GM®, Ford®, and Dodge®/RAM®.

This edition offers enhanced coverage with diagnostic and testing capability for smaller-sized truck engines, brakes and transmission systems for Ford® (2000–2016); and now supports 6.7L Powerstroke® engines in addition to GM® (1999–2016), Dodge®/RAM® (2006–2016) and Isuzu® (2005–2016).

"This Snap-on software release offers more scan tool options for techs to use when working on today's popular personal and light commercial trucks," said Dave Shock, a Snap-on product manager. "Snap-on augmented the diagnostic and testing capability for light and medium truck engine, brake and transmission systems to include Aftertreatment System tests as well as DPF Testing, DEF Testing, Injector Cutout and ABS tests. The LMT application gives technicians OEM-proprietary and OBD II diagnostics for easier maintenance and repair productivity."

The new EEHD866048 PRO-LINK® Ultra Diagnostic Scan Tool Software for Light and Medium Trucks (LMT) includes live data and powerful special tests and calibrations for a wider range of vehicles. EEHD866048U Update Software for the PRO-LINK® Ultra Diagnostic Scan Tool is available for owners of the 2014 and prior LMT version of the software.

Find out more about the new EEHD866048 PRO-LINK® Ultra Diagnostic Scan Tool Software for Light and Medium Trucks (LMT) by contacting your participating Snap-on franchisee or other representative, visiting www.snapon.com or calling toll-free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks.
