## Orange tools you'll fall for from Snap-on Tools

**KENOSHA, Wis. (Nov. 18, 2019)** – It may be the season of pumpkins, candy corn and orange fall leaves, but don't be scared to keep the bright color going all year with these orange-colored options from Snap-on.

**Snap-on® CTLU761O 14.4 V MicroLithium 60 LED Cordless Utility Light (Orange)** – Shine through the night with this ultra-bright 540 lumen cordless light that features 60 LED bulbs. It's made with high-impact housing and includes a hook with pad for hanging. A charger and range of batteries are sold separately to power it through dark workspaces.

**Snap-on® KAFANPJK LED Clock, Two-Speed Fan (Electric Orange)** – It may be cool outside, but it can still get hot under the hood, so this two-speed fan brings the crisp fall temps inside. It features a real-time temperature LED display in both Celsius and Fahrenheit and is low-voltage, so it can be plugged directly into an outlet or USB port. The compact size and magnetic base allows the fan to be positioned vertically or horizontally with adjustable angle and oscillation features.

**Blue Point® UIM225OR Telescoping Inspection Mirror (Orange) (Blue-Point® a Snap-on® brand)** – The UIM225OR telescoping mirror features a 2 ¼" diameter mirror head and an all-angle ball joint that holds the mirror firmly at any angle. It telescopes from 6 ½" to 35".

Orange you glad you can find out more about these as well as other tools and products? It's a simple as contacting your participating Snap-on franchisee or other representative, visiting [www.snapon.com](http://www.snapon.com) or calling toll-free 877-SNAPON-4 (877-762-7664).

### About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.7 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world.
