Combat winter's dark days with these new EPIQ Roll Cab PowerTops that light drawers

KENOSHA, Wis. (March 5, 2020) – The new EPIQ stainless steel and bedliner PowerTop™ integrated lighting solutions from Snap-on save technicians time and brightens up dark work conditions. These options can be incorporated into any existing 60", 68", or 84" EPIQ roll cab or can be ordered assembled on any roll cab and span the full length of drawers with a LED light that shines down to illuminate drawers all the way to the bottom roll cab drawer.

	BEDLINER	STAINLESS STEEL
Used on 60" roll cabs	KWSP3060CBL	KWSP3060DST
Used on 68" roll cabs	KWSP3068CBL	KWSP3068DST
Used on 84" roll cabs	KWSP3084CBL	KWSP3084DST

The LED light is protected inside an aluminum extrusion with a clear polycarbonate lens for maximum visibility and durability. It's easy to locate tools and read socket sizes, especially on black impact sockets, with these brilliantly efficient lighting options.

PowerTop™ with lights illuminate with the push of a button and are dust and water resistant. They include 10 offset AC outlets with four 2.1 Amp full charge USB ports and are made in the USA with a Snap-on -exclusive design.

Find out more about the EPIQ stainless steel and bedliner PowerTop™, as well as other tools and products, by contacting your participating Snap-on franchisee or other representative, visiting www.snapon.com or calling toll-free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.7 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world.
