Join Snap-on Diagnostic Expert for Upcoming Software Webinar Series

LINCOLNSHIRE, Ill., Oct. 15, 2021 – Automotive service technicians of all levels are invited to join Snap-on® diagnostic expert Jason Gabrenas for a series of three diagnostic software [webinars](#) that will highlight the latest [software upgrade](#) and walk through practical demonstrations live.

The webinars will take place on Thursday, Oct. 21, Wednesday, Oct. 27 and Monday, Nov. 1 at 8:00 p.m. ET / 7:00 p.m. CT / 5:00 p.m. PT.

To register to attend via Zoom, click [here](#). To subscribe to the Snap-on YouTube channel to view live, click [here](#). The webinar series is offered free-of-charge.

With over 25 years of experience in the automotive industry, Gabrenas started his career as a general technician at a national chain and worked his way up to a master diagnostic technician for an OEM dealership. He currently serves as a Snap-on national sales and support representative for diagnostics and information. In this role, he co-develops Snap-on Diagnostics training materials as well as conducts technical courses for franchisees, employees, end-users and vocational students. He has led over 30 live sessions on the Snap-on Diagnostics YouTube pages, amassing over 250,000 viewers.

For more information about Snap-on online training or to register for a training session, visit: <https://www.snapon.com/diagnostics/US/National-Online-Training>.
