## Receive Diagnostics News and Information from Snap-on with New “Create a Profile” Web Page

LINCOLNSHIRE, IL, Sept. 13, 2021 – Snap-on® has enhanced its website with the addition of a “create a profile” page that allows professional service technicians to sign up to receive emails from Snap-on Diagnostics such as industry technical articles, invitations to webinars showing how to apply diagnostics to solve common problems and many other informational topics. The new webpage can be accessed at: [snapon.com/diagnostics/profile](https://snapon.com/diagnostics/profile).

After filling out the [online form](#), visitors can check the boxes to receive emails, including:

- Technical articles
- Repair case studies
- Product training highlights
- Events and webinars
- New product introductions
- Software tool features or software news
- Marketing, promotions and contests

The provided email address is used for the agreed purposes designated within the online form.
