## **Snap-on Increases Ratchet Access and Leverage with Innovation in 1/4" Drive Dual 80<sup>®</sup> Technology**

**KENOSHA, Wis. (July 12, 2021)** – The new Snap-on<sup>®</sup> TK72/TKF72 1/4" Drive Dual 80<sup>®</sup> Technology Stubby Ratchets give techs access and leverage for hard-to-reach jobs that require a tool that grabs onto fasteners and delivers just the right swing arc. Whether it's the fixed-head or flex-head, these ratchets get into the deepest, tightest places with six teeth in contact with the gear. The 72-tooth gear, innovated by Snap-on as Dual 80<sup>®</sup> technology, provides 5° of swing arc...that's up to 25 percent less ratcheting arc needed to engage the next gear tooth.

With uncompromising strength and durability, the stubby handle provides easier access to cramped spaces. The contoured handle offers technicians more comfort and better control. The ratchet heads are sealed to maintain lubrication and prevent dirt from getting in and clogging the gear, while the signature chrome exterior finish makes for easy cleanup.

Find out more about these and other Snap-on tools and products by contacting your participating Snap-on franchisee or other representative, visiting [www.snapon.com](http://www.snapon.com) or calling toll-free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.7 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world.
