## David Patience Named 2022 Mitchell 1 Educator of the Year

**SAN DIEGO, Calif. – Aug. 15, 2022** – David Patience, an automotive technology instructor at Metropolitan Community College - Longview in Kansas City, Missouri, has been named the 2022 Mitchell 1 Educator of the Year. Each year, Mitchell 1 recognizes one of the nation's top teachers for their commitment to educational excellence in the automotive repair industry.

“David was selected for this honor for going above and beyond to prepare students for a professional career in the auto repair industry. As an outstanding teacher and master automotive technician, he has inspired creativity and enthusiasm in the classroom and impacted the lives of countless individuals,” said Nick DiVerde, senior marketing director, Mitchell 1. “We're pleased to recognize David for his dedication to his craft – within the classroom and industry – and we extend our sincerest congratulations to him.”

As the 2022 recipient, Patience received a one-year complimentary subscription to Mitchell 1's ProDemand<sup>®</sup> diagnostic, estimating and [auto repair information software](#) for his school, a three-year membership in the North American Council of Automotive Teachers (NACAT), a check for \$500, and an expense-paid trip for Patience and a guest to attend the NACAT conference and awards banquet.

Patience's automotive career spans 37 years, including 19 years spent at Metropolitan Community College, where he also serves as the [Ford ASSET](#) coordinator. Among his achievements, he earned the highest score on the recent National Institute for Automotive Service Excellence (ASE) certification tests for U.S. and Canadian educators. In fact, he scored perfect grades on six of the nine tests.

Patience holds a bachelor's degree in applied science from Siena Heights University in Adrian, Michigan. He is an ASE Certified Master Technician and a Ford Senior Master Technician.

Patience stated that he didn't officially “study” to be a master automobile technician, but instead, automotive technology has been a lifelong learning experience – since he was 15, before he even had a driver's license.

Selection criteria for the Mitchell 1 Educator of the Year award requires that a master automotive technician excel on all ASE automotive tests, including A1 – A8 (Engine Repair, Automatic Transmission/Transaxle, Manual Drive Train and Axles, Suspension and Steering, Brakes, Electrical/Electronic Systems, Heating and Air Conditioning, Engine Performance) and the L1 (Advanced Engine Performance Exam).
