John Bean Tru-Point Featured at SEMA

Award-Winning ADAS Calibration Tool on Display at Multiple Locations

Conway, AR – Oct. 25, 2022 – The award-winning new John Bean® Tru-Point™ advanced driver assistance system (ADAS) calibration tool will be on display and available for demonstrations at multiple locations at the 2022 Specialty Equipment Market Association (SEMA) show being held Nov. 1-4 at the Las Vegas Convention Center.

Tru-Point will be one of several products featured at the Snap-on® Total Shop Solutions (TSS)™ booth (#32017). The *Snap-on* booth is in the Collision Repair & Refinishing section in the upper south hall of the convention center.

In addition, [*Tru-Point*](#) will be showcased at the SEMA ADAS showcase booth (#36007) in the upper south hall and the SEMA Electrified booth (#11268) in the north hall.

Also on display at the *Snap-on* booth will be productivity enhancing products from TSS brands Car-O-Liner®, Hofmann®, Mitchell 1™ and SUN®. Many of the products will be available for hands-on demonstrations.

Customers can find out more about the new *John Bean Tru-Point* ADAS calibration tool and other *John Bean* products by calling 877-482-4866 or visiting www.JohnBean.com.

About John Bean
