Snap-on Offers Free Webinar Series Highlighting Latest Software Upgrade

LINCOLNSHIRE, Ill., Sept. 21, 2022 – Automotive service technicians of all levels are invited to join Snap-on® diagnostic expert Jason Gabrenas for a series of three diagnostic software [webinars](#) that will highlight the latest software upgrade and walk through practical demonstrations live.

The webinars will take place on Thursday, Sept. 29, Wednesday, Oct. 5 and Monday, Oct. 17 at 8:00 p.m. ET / 7:00 p.m. CT / 5:00 p.m. PT.

To register to attend via Zoom, click [here](#). To subscribe to the Snap-on YouTube channel to view live, click [here](#). The webinar series is offered free-of-charge.

With over 25 years of experience in the automotive industry, Gabrenas started his career as a general technician at a national chain and worked his way up to a master diagnostic technician for an OEM dealership. He currently serves as a Snap-on national sales and support representative for diagnostics and information. In this role, he co-develops Snap-on Diagnostics training materials as well as conducts technical courses for franchisees, employees, end-users and vocational students. He has led over 40 live sessions on the Snap-on Diagnostics YouTube pages, amassing over 380,000 viewers.

To learn more information about Snap-on, visit www.snapon.com/diagnostics or talk to a Snap-on franchisee or Snap-on sales representative.

About Snap-on Diagnostics:

Snap-on Diagnostics is part of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, diagnostics and repair information and systems solutions for professional users performing critical tasks. Products are sold through the company's franchisee, company-direct distributor and Internet channels. Founded in 1920, Snap-on is headquartered in Kenosha, Wisconsin.
