Snap-on TSS Products on Display at Equip Auto Show in Paris

Award-Winning Tru-Point ADAS System Available for Demonstrations

Conway, AR – Oct. 17, 2022 – Snap-on[®] Total Shop Solutions TSS[™] will showcase its innovative and productivity-enhancing products at the 2022 Equip Auto Show in Paris. TSS products will be on display Oct. 18-22 at the Paris Expo de Versailles in Hall 2.2, Stand B 065. The award-winning John Bean[®] Tru-Point[™] advanced driver assistance system (ADAS) calibration system will be one of the wide array of automotive repair products on display.

In addition to [Tru-Point](#), the stand will also feature products from other TSS brands, including Hofmann[®], Blackhawk[®], Cartec[®], Car-O-Liner[®] and SUN[®]. Many of the products will be available for hands-on demonstrations. Examples of showcased innovative equipment include:

- [Hofmann geoliner[®] 609 Wheel Aligner](#) - This versatile aligner provides advanced tire workshops with the same high level of innovative performance and precision that they have come to expect from *Hofmann*.
- [Car-O-Liner CDR1 workstation](#) will also be available for demonstrations at *Automechanika*. The value-packed, all-in-one CDR1 contains the equipment and materials needed to perform light-to-medium collision damage repair quickly and efficiently.
