## Media Alert

### Car-O-Liner Car-O-Tronic Vision2 on Display at NADA

**Wixom, MI – Jan. 19, 2023** – The Car-O-Liner® Car-O-Tronic® Vision2™ advanced electronic system for upper and lower vehicle body measuring will be available for demonstrations during the 2023 National Automobile Dealers Association® (NADA®) show held Jan. 26-29 at the Kay Bailey Hutchison Convention Center in Dallas, Texas.

The *Car-O-Tronic Vision2* will be on display at the Stellantis® booth (#6155) at *NADA*. The sensor-equipped measuring slide delivers real-time data three times per second to the advanced and easy-to-use software, Car-O-Data®, an industry-leading vehicle measurement database that allows the user to identify measuring points accurately and quickly.

Compatible with virtually every frame repair system, the *Car-O-Tronic Vision2* is wireless and uses Bluetooth® technology. It provides precise measurements for all under- and upper-body locations, and the photo-based images offer easy identification of the measuring points.

For more information about *NADA*, visit [www.nada.org/nada-show](http://www.nada.org/nada-show). To learn more about the full line of *Car-O-Liner* equipment, including the *Car-O-Tronic Vision2*, call 800-521-9696 or visit [Car-O-Liner.com](http://Car-O-Liner.com).
