MEDIA ALERT

Register Now for Snap-on Spring Software Introduction Webinar

LINCOLNSHIRE, Ill., March 23, 2023 – Professional technicians can learn about the latest features and coverage that has been added to the Snap-on® spring software release when they join Diagnostic Expert and National Field Sales Trainer Jason Gabrenas for a [webinar](#) that will highlight the software upgrade and walk through practical demonstrations live.

Offered free-of-charge, the webinar will take place on Monday, April 3 and Thursday, April 6 at 8:00 p.m. ET / 7:00 p.m. CT / 5:00 p.m. PT.

To register to attend via Zoom, click [here](#). To subscribe to the Snap-on YouTube channel to view live, visit www.youtube.com/snapondiagnostics.

To learn more information about Snap-on, visit www.snapon.com/diagnostics or talk to a Snap-on franchisee or Snap-on sales representative.

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$4.25 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world. For additional information, visit www.snapon.com. For more information about its diagnostics products, visit www.snapon.com/diagnostics.
