Snap-on Adds New Quick Fix Playlist to its Diagnostics YouTube Channel

LINCOLNSHIRE, Ill., Nov. 13, 2023 – Snap-on® has added a new Quick Fix [playlist](#) to its diagnostics [YouTube](#) channel that currently offers a number of videos that provide quick and helpful answers to common questions such as how to do something on or to a Snap-on diagnostic tool.

The Quick Fix video clips are designed to be a fast and convenient way for professional technicians to help themselves without needing to call a diagnostics rep or customer care for assistance. Video topics include everything from how to set up Security Link™, to Bluetooth® pairing a scan module, to adding shop information to a code scan report, just to name a few.

For more information, visit www.snapon.com/diagnostics or talk to a Snap-on franchisee or other sales representative.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.5 billion in 2022, and is headquartered in Kenosha, Wisconsin.
