Snap-on Set Equips Techs for Success: PHGFSET01FR 21 pc Essential Air Hammer Bit Foam Set

KENOSHA, WI (August 31, 2023) – Snap-on sets make it easy to access a combination of tools designed to equip techs for successful and productive days in the shop.

The **PHGFSET01FR 21 pc Essential Air Hammer Bit Foam Set** features a wide range of punches, hammers, and chisels along with a scraper, sheet metal ripper, double-bladed panel cutter, ball joint/tie rod separator, and spot weld breaker. No more searching for air hammer bits when they're secured in contrast-colored foam for quick identification. For added protection, the foam resists oils, solvents, and fuels. Even handier, this 19.24" W x 13.32" L x 1.73" set fits in a 2" deep drawer.

These popular .401 high-strength steel alloy turn-type shank bits have a Zinc Clear Chromate finish for added shine and visibility that is corrosion resistant.

Customers can learn more about the Snap-on® PHGFSET01FR 21 pc Essential Air Hammer Bit Foam Set by contacting their participating Snap-on franchisee or representative, calling toll free 877-SNAPON-4 (877-762-7664), or visiting www.snapon.com

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle

dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and internet channels. Snap-on Incorporated, which was founded in 1920, is a \$4.5 billion, S&P 500 company located in Kenosha, Wisconsin, with operations throughout the world.
