## MEDIA ALERT

# Snap-on Sponsors Service Done Right Video on Global OBD II - Modes, Monitors and More

**LINCOLNSHIRE, Ill., April 11, 2023** – In the latest edition of the Service Done Right video series, Motor Age’s Director of Training Pete Meier uses the new Snap-on® ZEUS+™ to discuss how diagnosing drivability diagnostic trouble codes can be a lot easier if technicians take full advantage of the benefits that their scan tool offers, especially in the tool’s generic or Global OBD II mode.

The video is available for viewing free of charge on the Vehicle Service Pros website:

It can also be accessed through YouTube at [https://youtu.be/D9Ob\\_68rd4I](https://youtu.be/D9Ob_68rd4I).

ZEUS+ is the most advanced information-driven scan and scope device in the industry, offering the onboard storage, processing and communications capabilities that professional technicians need to get them through each step, from start to finish. Driven by Fast-Track® Intelligent Diagnostics, the [ZEUS+](#) provides the information needed to diagnose, repair and manage any issue, simplifying the workflow and increasing efficiency on every job.
