Snap-on ZEUS+ Diagnostic Tool Wins MOTOR Top 20 Award

LINCOLNSHIRE, Ill., Sept. 25, 2023 – Snap-on® announces its ZEUS+™ diagnostic tool has won a MOTOR Top 20 Award. It was chosen by industry peers, through an online voting system, as a new product with innovative features that help technicians diagnose and repair vehicles correctly, the first time.

[ZEUS+](#) is the most advanced information-driven scan and scope device in the industry, offering the onboard storage, processing and communications capabilities that technicians need. Fast-Track® Intelligent Diagnostics simplifies the diagnostic process and guides technicians through the right repair, avoiding unnecessary steps along the way. It includes SureTrack® for verified parts replacement records and Real Fixes, Smart Data for relevant vehicle and code-specific PIDs, and prefiltered functional tests and guided component tests to verify repairs. Delivering the software coverage, processing power and speed, and access to the information needed, technicians work smarter, faster and better on every job.

To learn more about Snap-on, visit www.snapon.com/diagnostics or talk to a Snap-on franchisee or other Snap-on sales representative.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.5 billion in 2022, and is headquartered in Kenosha, Wisconsin.
