## Media Alert

### Snap-on TSS Onsite at SkillsUSA in Atlanta for Demonstrations and Competition

**Conway, AR – June 12, 2024** – Snap-on<sup>®</sup> Total Shop Solutions (TSS)<sup>™</sup> products will be on display and included in the competition at the 2024 SkillsUSA National Leadership and Skills Conference (NLSC) held June 24-28 at the Georgia World Congress Center in Atlanta.

Four award-winning John Bean<sup>®</sup> B2000P Diagnostic Wheel Balancers will be featured in the competition portion of SkillsUSA. The *Snap-on* booth (#370), located in Hall B, will showcase a wide array of TSS products, including the award-winning *John Bean* [V3300](#) diagnostic wheel alignment system, the industry-leading [Tru-Point<sup>™</sup>](#) advanced driver assistance system (ADAS) calibration tool and the B2000P.

Also on display will be the Car-O-Liner<sup>®</sup> [CTR<sup>™</sup>9](#) fully-automatic resistance spot welder and the [Car-O-Tronic<sup>®</sup> Vision2<sup>™</sup> X3](#), a simple to use and accurate electronic measuring system. The Pro-Cut<sup>™</sup> [B17 Super Bench](#) and [X15](#) on-car brake lathe will be available for the demonstrations, and Challenger Lifts will also have a [two-post lift](#) onsite at the *Snap-on* booth (#370).

#### About Snap-on Total Shop Solutions

Snap-on Total Shop Solutions is a family of Snap-on brands that brings together best-in-class automotive repair products. From wheel balancers, wheel aligners and diagnostics, to brake lathes, automotive lifts, and collision repair, Total Shop Solutions offers a broad range of innovative products to outfit your shop floor to ceiling.
