Snap-on TSS Products Showcased at Skills/Compétences Canada

Conway, AR – May 23, 2024 – Snap-on[®] Total Shop Solutions (TSS)[™] is proud to announce its participation in the 2024 Skills/Compétences Canada held May 29 to June 1 at ExpoCité, in Québec City, Québec with products on display and included in the competitions area.

Car-O-Liner[®], its leading sponsor brand from the TSS family, will be showcasing three of its top product lines, including four [CTR[™]9](#) fully-automatic resistance spot welders; the [Car-O-Tronic[®] Vision2 X3](#), a simple to use and accurate electronic measuring system; and the [BenchRack[™] 5500](#) alignment system.

In addition, other TSS products will play a significant role in the competition, including two of the award-winning John Bean[®] [V3300](#) diagnostic wheel alignment systems and two [Pro-Cut[™] X9D](#) car brake lathes.

Attendees can visit the TSS booth at Skills/Compétences Canada where the *John Bean* [V2180](#) Imaging Diagnostic Wheel Alignment System and the [B600P](#) Semi-Automatic Laser Touchscreen Wheel Balancer will be on display for live demonstrations.

Skills/Compétences Canada is the only national, multi-trade and technology competition for students and apprentices in the country. Each year, more than 550 competitors from all regions of Canada come to SCNC to participate in over 40 skilled trade and technology competitions. To learn more, visit www.skillscompetencescanada.com.
