Snap-on TSS to Showcase Innovative Equipment at WasteExpo

Conway, Ark. – April 22, 2025 – Snap-on[®] Total Shop Solutions (TSS[™]) will display a wide range of innovative vehicle service and repair equipment, available for demonstrations, at WasteExpo[®] 2025, held May 6-8 at the Las Vegas Convention Center.

“Keeping vehicles properly serviced and on the road is critical to the waste management industry,” said Mariana Montovaneli, director of marketing for Snap-on Equipment. “Snap-on TSS offers some of the most advanced vehicle service equipment available. Our team will be onsite at WasteExpo to share how Snap-on TSS heavy duty equipment solutions can help increase productivity, profitability and vehicle up time.

Representatives from *Snap-on TSS* will be at booth 773 to provide insight and answer questions about Hofmann[®], Challenger Lifts, JOSAM[®] and Pro-Cut[™] equipment innovations, including:

- Hofmann [geodyna[®] 980L](#) Heavy-Duty Wheel Balancer – Designed for shops of various sizes, this balancer helps technicians accurately and quickly balance wheels with an intuitive interface and raised digital display
- Hofmann [monty[®] 3850](#) Heavy-Duty Tire Changer – Built to handle demanding wheel service tasks for trucks, commercial, off-road, and agricultural vehicles
- JOSAM [Cam-Aligner](#) – A versatile alignment system ideal for shops aiming to increase profits through fast truck alignments, whether in-shop or on the road
- [Pro-Cut X1](#) Heavy-Duty On-Truck Brake Lathe – An innovative lathe that increases efficiency, reduces labor time, extends rotor life and maximizes profitability through on-vehicle brake disc resurfacing
- [Challenger Lifts CLHM-140](#) – A versatile heavy-duty mobile column lift that balances strength and maneuverability, making it an excellent choice for any solid surface, indoors or outdoors

WasteExpo is North America’s largest tradeshow for solid waste, recycling, organics, food waste recovery, and sustainability, serving both private and public sectors for over 50 years. For more information, visit <https://www.wasteexpo.com/en/home.html>.
