## Car-O-Liner Provides Precision Solutions For Small and Medium Dent Repairs

**CONWAY, Ark. – Jan. 7, 2026** – As a leader in repair innovation for more than 50 years, Car-O-Liner® offers a variety of products that help shops perform small and medium dent repairs.

“The collision repair industry is transforming rapidly,” said Doug Bortz, manager, collision sales North America for *Car-O-Liner*. “Advanced materials, electric vehicle platforms and advanced driver assistance systems (ADAS) demand precision, efficiency and adaptability. Car-O-Liner offers its customers a wide array of solutions that help shops perform small and medium dent repairs while maintaining profitability and supporting repairs in accordance with applicable OEM requirements.”

The integrated bay setup from *Car-O-Liner* supports diagnostics, light structural repairs and cosmetic fixes while streamlining small to medium repairs with precision product solutions, including:

- The *Car-O-Liner* [Speed™ 3T](#) weight bench, one of the most effective, lighter-weight benches on the market, offering up to 6,600 lbs. of support while enhancing precision and efficiency for repair shops
- The [PointX® II](#) Diagnostic Measuring Tool and [Vision2™](#) software guide, which provide real-time measurement and blueprinting, with professional-grade documentation outputs
- The [CDR®1](#) workstation for cosmetic dent and ding repairs, containing all the equipment and materials needed to perform light-to-medium collision repair damage quickly and efficiently
- The [CTR®9](#) fully automatic resistance spot welder, featuring a revolutionary lightweight transformer gun supported by a telescopic arm made of durable, lightweight extruded aluminum

“Car-O-Liner solutions reduce cycle times, enhance repair quality and improve profitability as shops restore vehicles, build trust and stay competitive,” continued Bortz. “With intuitive measurement tools and professional-grade documentation, Car-O-Liner systems simplify repair authorization, whether working with insurers, OEMs or customers.”

To learn more about the full line of productivity-enhancing *Car-O-Liner* equipment, call 800-521-9696 or visit [Car-O-Liner.com](http://Car-O-Liner.com).
