Challenger Lifts Offering Savings of Up to 50 Percent on Select Accessories

LOUISVILLE, Ky. – Aug. 20, 2026 – For a limited time, Challenger Lifts® is offering customers savings of up to 50% on select lift accessories. The promotion runs through Aug. 29, 2026, giving service centers a timely opportunity to upgrade their equipment ahead of the busy service season.

“As vehicle service needs continue to diversify, from EVs and trucks to specialty vehicles and alignment work, having the right accessories on hand has become essential to running an efficient, versatile shop,” said Trevor Coleman, national sales manager for Challenger Lifts. “This promotion is designed to help shops expand their service capabilities and better position themselves for growth.”

The promotion includes accessories for two-post lifts, inground lifts, four-post storage lifts, four-post lifts, mobile columns and shop equipment.

“The right lift accessories are just as important as the lift itself when it comes to getting the job done efficiently,” said Coleman. “The best shops know productivity starts with the right equipment, and the right lift accessories help maximize the performance and versatility of every service bay, no matter what you are working on.”

Shops interested in taking advantage of this promotion are encouraged to contact their local *Challenger Lifts* representative for more information: <https://challengerlifts.com/find-your-sales-representative/>.
