## MEDIA ALERT

# Purchase Current Snap-on Software Upgrade Now for 10% Off, Get Upcoming Software Upgrade Free of Charge

*Special Offer Ends April 4, 2026*

**LINCOLNSHIRE, III., March 12, 2026** – When technicians purchase Snap-on® Software Upgrade 25.4 through April 4, not only will they receive 10% off the price of a single software upgrade, but they will also get the upcoming Software Upgrade 26.2 free of charge. This special offer excludes subscription and data plans.

By upgrading to the current [software](#) release, technicians will be confident that their diagnostic tools are ready from the moment they power-on with the latest coverage and industry-exclusive features for general and collision repair for Asian, domestic and European vehicles.

Benefits of keeping software up to date include:

- Patented Fast-Track® Troubleshooting workflow and filtered information that brings focus to the specific vehicle and code that the technician is working on
- Access to new model year updates, guided tests and thousands of SureTrack® Real Fixes and PID Flags
- Snap-on platforms that guide technicians through essential procedures while maintaining secure gateway access via Snap-on Security Link™
- Access to cloud-based resources that are continuously updated and repopulated with the latest in proven repairs, verified replacement parts and components

For the most detailed information on the latest software release, visit <https://us.snaponcoverage.com/>.

### About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2025, and is headquartered in Kenosha, Wisconsin.
