## Snap-on Announces New Live Stream Diagnostic Training Dates, Topics for the Summer

**LINCOLNSHIRE, Ill., June 24, 2026** – Snap-on® announces an updated schedule of live stream diagnostic training sessions, featuring a variety of topics designed to help automotive technicians enhance their diagnostic skills and maximize the capabilities of their Snap-on diagnostic tools. Led by Diagnostics National Trainer Jason Gabrenas, the free training sessions are presented twice weekly throughout the summer.

Live stream training sessions are held at 7:00 p.m. CST on Tuesdays on [Zoom](#) and [YouTube](#), and Wednesdays on [Facebook](#), with special heavy-duty training on [Zoom](#) on the third Thursday of each month.

Each session includes 30 minutes of in-depth instruction and live demonstrations, followed by a 15-minute question-and-answer segment. The interactive format allows technicians to learn practical diagnostic techniques, explore advanced tool functions and receive expert guidance on real-world repair challenges.

The updated schedule of training sessions includes:

- June 30/July 1 A/C Diagnosis
- July 7/8 Ignition System Analysis and Testing
- July 14/15 Modern Cooling System Design and Operation
- July 16 Heavy-Duty Training: PRO-LINK+ Features and Functionality
- July 21/22 ADAS Overview
- July 28/29 Modern Fuel Systems Operations and Diagnosis
- Aug. 4/5 Pressure Transducer Diagnostics
- Aug. 11/12 Air Bag System Operation and Diagnosis
- Aug. 18/19 Body Controls Operation and Diagnosis
- Aug. 20 Heavy-Duty Training: PRO-LINK+ Features and Functionality
- Aug. 25/26 A/C Diagnosis

### About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2025, and is headquartered in Kenosha, Wisconsin.
