Snap-on Releases New Tuesday Topic Training Webinar Schedule for the First Quarter

LINCOLNSHIRE, Ill., Jan. 12, 2026 – Snap-on® has updated its Tuesday Topic Training webinar schedule for the first quarter of the year with a variety of new subjects that Diagnostics National Trainer Jason Gabrenas will present two times each week. Auto repair technicians are encouraged to attend the informational sessions to learn the latest tips and techniques to get the most out of their diagnostic tools.

The schedule of first quarter [training sessions](#) includes:

- Jan. 20 OEM-Specific ADAS Training - Volvo®
- Jan. 27 Get the Most Out OF Your Snap-on Scan Tool - Tips and Tricks
- Feb. 3 OEM-Specific ADAS Training - Subaru®
- Feb. 10 OEM-Specific ADAS Training - Mazda®
- Feb. 17 LIN Bus and New Module Initialization
- Feb. 24 Body Shop Scanner Functions
- March 3 EV Software Functions
- March 10 Advanced Scanner Functions and Data Analysis
- March 17 Test Don't Guess - Guided Component Testing
- March 24 Modern Braking Systems Design and Diagnosis
- March 31 HVAC Diagnosis Using Thermal Imaging

Tuesday Topic Training sessions are offered free of charge and provide approximately 30 minutes of material and 15 minutes for questions and answers. Two time slots are available for each day of training. The first session takes place at 6:00 p.m. ET/ 5:00 p.m. CT/ 3:00 p.m. PT. The second session runs 9:00 p.m. ET/ 8:00 p.m. CT/ 6:00 p.m. PT.

Click [here](#) to register to attend via Zoom® or watch live on the Snap-on Diagnostics Training Solutions® YouTube channel: www.youtube.com/snapondiagnostics.

Previous sessions are also available for viewing on the Training Solutions [YouTube](#) channel.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2024, and is headquartered in Kenosha, Wisconsin.
