## Snap-on TSS Showcasing Latest Product and Technology Solutions at NADA in Las Vegas

**CONWAY, Ark. – Jan. 26, 2026** – Snap-on® Total Shop Solutions (TSS™) will showcase a wide array of its innovative, productivity-enhancing products at the 2026 National Automobile Dealers Association® (NADA®) Show, held Feb. 3-6 in Las Vegas, Nevada. Products from industry-leading TSS brands John Bean®, Car-O-Liner®, Challenger Lifts® and Pro-Cut™ will be available for demonstrations at the Las Vegas Convention Center.

“We are proud to lead the industry with advanced, high-performance automotive repair solutions, and we look forward to highlighting the latest Snap-on TSS innovations at NADA,” said Mariana Montovaneli, director of marketing for Snap-on Equipment. “Snap-on TSS team members work hand in hand with customers to help ensure our products support their business goals and we invite all NADA attendees to experience these advanced solutions firsthand.”

At the *Snap-on TSS* booth (8139N), the award-winning *John Bean Tru-Point™* advanced driver assistance system (ADAS) calibration solution and the *V4400 Commander®* aligner will be showcased. In addition, the Challenger Lifts EW 10/12K wide inground lift and the award-winning *Pro-Cut X19* cordless rotor matching system brake lathe will be in action. The *Snap-on* Build-A-Bay tool storage solution will also be showcased at booth 8139N.

At the Ford® booth (3462W), attendees will find the Challenger Lifts *10K two-post adjustable lift* with the new galvanized arm option, the *BT3300* lift table and the *Pro-Cut X1 truck lathe*. At the Toyota® booth (4763W), the *Tru-Point* ADAS calibration solution will be on display and the *Snap-on* Build-A-Bay tool storage options will be featured.

The *Car-O-Liner Car-O-Tronic®* electronic measuring system will be highlighted at the Stellantis® booth (2663W) along with the *John Bean* V4400 aligner, the Challenger Lifts *CL12 series* 12K heavy-duty two-post adjustable lift and *mobile columns*, and two high-performing *Pro-Cut* brake lathes: the *X15* on-car brake lathe and the *B17* bench lathe. In addition, the *Snap-on* Build-A-Bay tool storage will also be on display at the *Stellantis* booth.

### About Snap-on Total Shop Solutions

Snap-on Total Shop Solutions is a family of Snap-on brands that brings together best-in-class automotive repair products. From wheel balancers, wheel aligners and diagnostics, to brake lathes, automotive lifts, and collision repair, Total Shop Solutions offers a broad range of innovative products to outfit your shop floor to ceiling.
