## Snap-on TSS to Showcase Heavy-Duty Solutions at TMC

**CONWAY, Ark. – March 12, 2026** – Snap-on<sup>®</sup> Total Shop Solutions (TSS<sup>™</sup>) will have a major presence at the 2026 Technology and Maintenance Council (TMC) Annual Meeting and Transportation Technology Exhibition, held March 16-19 at the Music City Center in Nashville, Tennessee. Heavy-duty equipment and products from industry-leading TSS brands including Challenger Lifts<sup>®</sup>, Hofmann<sup>®</sup>, JOSAM<sup>®</sup>, Mitchell 1<sup>®</sup>, NEXIQ<sup>®</sup> Technologies and Pro-Cut<sup>™</sup> will be on site and available for demonstrations.

“Snap-on TSS is known for innovation, efficiency and performance,” said Mariana Montovaneli, director of marketing for Snap-on Equipment. “We are excited to share the latest Snap-on TSS heavy-duty products with TMC attendees. Whether tire changers, balancers, lifts, aligners or comprehensive diagnostic, repair and labor estimating tools, Snap-on TSS has the products and equipment to increase productivity and help grow heavy-duty business.”

Each TSS brand will have its own booth at TMC. Challenger Lifts will be displaying its heavy-duty [mobile columns](#) at booth 2213, while the award-winning JOSAM [Cam Aligner](#), [Frame Press](#) and [Truck Roller](#) will be featured at booth 2314.

At booth 2215, attendees can see the new Hofmann monty<sup>®</sup> [3850](#) heavy-duty tire changer and the award-winning Pro-Cut [X1](#) on-truck brake lathe will be featured at booth 2214.

TMC show attendees looking for heavy-duty diagnostic solutions can visit the [NEXIQ](#) booth 2212. Booth 2312 will feature Mitchell 1 [TruckSeries](#), where visitors can learn more about diagnostic, repair and labor estimating tools available through a single online application.

“We look forward to connecting with industry leaders and showcasing how our trusted brands continue to shape the future of heavy-duty service,” Montovaneli said. “Our goal is to help technicians and managers work smarter and more efficiently. TMC gives us the perfect opportunity to demonstrate how Snap-on TSS delivers real-world results for today’s heavy-duty service professionals.”
