Visit Snap-on Total Shop Solutions at SEMA

CONWAY, Ark. – Oct. 26, 2026 – Snap-on® Total Shop Solutions (TSS)™ will feature an extensive lineup of innovative, performance-enhancing equipment at the 2026 Specialty Equipment Market Association® (SEMA®) Show, held Nov. 3-6 at the Las Vegas Convention Center. Product demonstrations will be available throughout the show at TSS booth 32017.

John Bean® will showcase several of its award-winning products, including the [Tru-Point®](#) advanced driver assistance system (ADAS) calibration solution. Also featured will be *John Bean* wheel aligners, the award-winning [V4400 Commander®](#) and the [V2380](#), along with *John Bean* lifts, balancers and tire changers.

Car-O-Liner® will present an assortment of advanced collision repair equipment, including bench racks, welders, measuring systems, riveting tools and workstations. In addition, shop owner and popular collision repair social media influencer Juan Carlos Gasga Perez (@autobodystrong) will be at the TSS booth discussing how *Car-O-Liner* products have improved his business. New EVO™ anchoring and holding system setups will be featured, along with hands-on demonstrations of the [CTR9™](#) spot welder, [CMI™ 300](#) pulse welder and [CDR™ 1](#) cosmetic dent repair workstation.

Several award-winning Pro-Cut™ brake lathes will be on display as will the award-winning [Pro-Cut Mule](#) tire trolley, designed to help technicians quickly remove and store wheels during brake and suspension work.

Hofmann® alignment systems, tire changers, wheel balancers, TreadReader™ and the 15K four-post alignment lift will be showcased, along with productivity-enhancing products from Cartec™ (headlight tester), Ecotechnics® (air conditioning service products), *Snap-on* Diagnostics (scan tools) and Challenger Lifts™ (lifts, mobile columns), including the award-winning [12K HD](#) two-post adjustable lift.

TSS will also feature a dedicated heavy-duty section at booth 32017 including innovative HD products from *Challenger Lifts*, *Hofmann* and *Pro-Cut*, plus the award-winning JOSAM® [Cam-Aligner](#).

“The SEMA Show is the perfect venue to showcase the innovation, performance and versatility available through Snap-on Total Shop Solutions,” said Mariana Montovaneli, director of marketing for Snap-on Equipment. “From ADAS calibration and wheel service to collision repair, brake service, heavy-duty equipment and diagnostics, our lineup is designed to help shops take on today’s increasingly complex vehicle service and repair challenges. We look forward to demonstrating these solutions and connecting with professionals at booth 32017.”

About Snap-on Total Shop Solutions
