SNAP-ON COOKIES & SIMILAR TECHNOLOGIES POLICY

This Cookies & Similar Technologies Policy ("**CST Policy**") describes the different types of cookies and similar technologies that we use on www.snapon.com. We may change this CST Policy at any time. Please take a look at the "*LAST REVISED*" legend at the top of this page to see when this CST Policy was last revised. Any changes in this CST Policy will become effective when we make the revised CST Policy available on or through this website.

If you have any questions, please contact us by email at dataprotectionmanager@snapon.com.

1.   WHAT ARE COOKIES AND SIMILAR TECHNOLOGIES?

Cookies are a standard feature of websites that allow us to store small amounts of data on your computer or device about your visit to this website. Cookies help us learn which areas are useful and which areas need improvement. We also use technologies similar to cookies, such as pixel tags and web beacons.

You can choose whether to accept the use of cookies and similar technologies in general by changing the settings on your browser, or by changing specific settings (as set out in Section 3 of this CST Policy). However, if you disable cookies and similar technologies, your experience may be diminished and some features may not work as intended.

2.   WHAT COOKIES AND SIMILAR TECHNOLOGIES DO WE USE?

Details of the different types of cookies that we use on this website can be found by clicking on the green icon at the bottom of the website you are visiting.

To the extent any personal information is collected through cookies and similar technologies, our Privacy Policy applies and complements this CST Policy.

Google Analytics. We use Google Analytics, which uses cookies and similar technologies to collect and analyse information about use of the Services and report on activities and trends. This service may also collect information regarding the use of other websites, apps and online resources. You can learn about Google's practices by going to www.google.com/policies/privacy/partners/, and opt out of them by downloading the Google Analytics opt-out browser add-on, available at https://tools.google.com/dlpage/gaoptout.

We also use other technologies similar to cookies, details of which are listed below:

Pixel tags. Pixel tags (also known as web beacons and clear GIFs) are used to, among other things, track the actions of users of the Site, measure the success of our marketing campaigns, and compile statistics about usage of the Site and response rates.

Browser or Device Information. Certain information is collected by most browsers or automatically through your device, such as your Media Access Control (MAC) address, computer type (Windows or Mac), screen resolution, operating system name and version, device manufacturer and model, language, Internet browser type and version, and the name and version of the Site you are using. We use this information to ensure that the Site functions properly.

3. HOW DO I MANAGE COOKIES AND SIMILAR TECHNOLOGIES?

You can change your settings for cookies by clicking on the green icon at the bottom of the websiteyou are visiting.

 Whilst you can withdraw your consent at any time, please note that this will not fully remove the cookies that have already been set on your device. You can delete cookies that have already been placed on your device by following these instructions:

Deleting cookies in Internet Explorer
Deleting cookies in Firefox
Deleting cookies in Chrome
Deleting cookies in Opera
Deleting cookies in Safari

To find information relating to other browsers, visit the browser developer's website. Please be aware that if cookies are disabled, not all features of the website you are visiting may operate as intended. Please contact us at dataprotectionmanager@snapon.com if you have any questions or concerns.

If you want to clear all cookies left behind by the websites you have visited, here is a link where you can download a program that clean out tracking cookies:
