SPACE-SAVING.FULL FEATURED.

The John Bean® V2180 delivers quick, accurate wheel alignment in a compact, easy-to-deploy design. Its rotating camera beam folds neatly away when not in use, making it ideal for workshops where space is limited or where the aligner needs to be moved in and out of the bay.

WEEKLY PAYMENTS FROM £58.64

[†] Off list price. ^{††} Based on 2 wheel alignments per week at £65 per alignment, with payback achieved in approximately 65 weeks. Supplied tablet specification may vary without notice. Excludes labour, consumables, VAT, finance and operating costs. * The Snap-on® Finance UK Limited hire purchase program is for business purpose credit only. All finance, rates and terms are subject to credit status and affordability approval at time of sale.
