FREE WEB DATABASE
1
YEAR
WORTH £349*

The SUN® ATF GearKare is designed for workshops offering automatic transmission servicing. It delivers a fast, efficient transmission fluid exchange process that helps maintain gearbox performance and longevity. Regular fluid changes remove contaminants, reduce component wear and help preserve transmission integrity.

- **Dual Ultra-Fine Filters:** Removes contaminants for clean fluid exchange
- **Smart-Drain System:** Accurate oil recovery and refill
- **Separate New & Used Oil Tanks,** Prevents contamination
- **7" Colour touchscreen** is intuitive to use and guides technicians through the entire process
- **Adapter kits** cover the most popular automatic vehicles in Europe†
- **Fully mobile,** position the unit where you need it in the workshop
