THE POWER INSIDE
YOUR DIAGNOSTIC PLATFORM.

Platforms must have current software installed in order for all features to work. Out of date software will have limited features. The chart below explains what features will no longer function if the software is not the most current available.

To keep access to all applicable tool features, a software subscription is the most convenient purchase method.

SERVICES

ZEUS™, TRITON™ AND APOLLO™ SERIES

SOFTWARE FEATURE	SOFTWARE STATE	
	ON CURRENT SOFTWARE‡	NOT ON CURRENT SOFTWARE
Fast-Track® Intelligent Diagnostics	Yes	No
Service Resets and Relearns	Yes	No
