

SNAP-ON FRANCHISEE INFORMATION

Are you in compliance with applicable DOT regulations?

If you operate a vehicle as part of your Snap-on franchise, you may be required to comply with State and/or Federal Motor Carrier Safety Regulations. The regulations vary widely depending upon your vehicle and area of operations.

The following reflect some of the items most often required (additional items may be required) for DOT compliance:

- ✓ USDOT Number (if you cross state lines)
- ✓ State DOT Number (if you only stay within your state)
- ✓ Medical Examiner's Certificate
- ✓ Driver Qualification File
- ✓ Accident Register (for recordable crashes)
- ✓ Annual / Periodic Vehicle Inspections
- ✓ Vehicle Maintenance Files
- ✓ Hours of Service Records
- ✓ Pre-Trip & Post-Trip Inspections

Experts Who Make A Difference

Why comply?

The enforcement community takes a very hard stance on individuals who do not comply with DOT safety regulations. If you are not in compliance with applicable regulations you can be fined or even prohibited from operating your business.

National Transportation Consultants is a nationally recognized company providing safety and regulatory consulting services to Snap-on franchisees throughout the United States. We provide simple, yet effective, solutions to what can be very complex issues. Our consultants include former DOT enforcement personnel with extensive experience in safety and regulatory compliance. NTCI can help determine what regulations are applicable and make it easy to comply. We'll do what we do best, so that you can focus on what you do best.

If you don't know what Federal and/or State DOT regulations affect you, take 5 minutes and make the call to NTCI. You'll be glad you did!
