

Release: IMMEDIATE

Snap-on to Webcast Annual Shareholder Meeting Live Via the Internet

KENOSHA, Wis.—April 6, 2018—Snap-on Incorporated (NYSE: SNA) announced today that it will webcast its Annual Meeting of Shareholders live via the Internet on Thursday, April 26, 2018 beginning at approximately 10:00 a.m. Central. The archived presentation will also be available on the Snap-on website, www.snapon.com, for at least ninety days.

To attend this event, visit <https://www.snapon.com/EN/Investors/Investor-Events> and click on the link to the webcast. To ensure that you gain access on the day of the presentation, please go to the site at least ten minutes prior to the start of the event to download and install any necessary software.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on also derives income from various financing programs to facilitate the sales of its products and support its franchise business. Products and services are sold through the company's franchisee, company-direct, distributor and internet channels. Founded in 1920, Snap-on is a \$3.7 billion, S&P 500 company headquartered in Kenosha, Wisconsin.
